

Whether you have a dozen on hand for quaffing, or a few bottles of the finest French set aside for a special occasion there is no need to stash them in a cardboard box behind the kitchen door any longer. A Wilkins and Kent Wine Rack will provide excellent storage and display solutions for your wine collection.

Providing storage from 24 bottles, the Wilkins and Kent Wine Rack is fitted with elegant stainless steel rungs and features a black interior and heavy construction to reduce light and provide a stable environment for medium term wine storage. It is available in our two styles pictured below: Barbi (timber veneer frame) and Traditional (solid timber frame)

9x7 Barbi

5x11 Traditional
